

Kia Ora ,

We are open for golf during Level 3 for those wishing play within the restriction.

The most important principle is to stay safe and to stay physically distant from people outside of your bubble.

Please see the guidelines as below:

- To record your visit all the golfers must be use contact trace or please use you DotGolf app to check in to our golf course.
- All the members must book with us prior play golf. This is to ensure there is no opportunity for players to congregate.
- Golfers should arrive ready to play and leave the facility immediately after play
- All clubhouse, pro shop, changing room, toilets are closed to players and visitors, however our Karikari estate winery café is open for Takeaway lunch.
- **Scorecards cannot be physically issued prior to play nor returned after play. No scores will be accepted by the national handicapping system from clubs operating at Alert Level 3.**
- Players must maintain a minimum distance of at least two metres between themselves and other players on course who are not in their bubble.
- Shotgun or multiple tees starts should be avoided in order to stop the congregation of players.
- Driving ranges and other practice or warm up facilities are closed.
- Equipment cannot be shared. If golf carts are to be used, they can only be used by people inside the same bubble.
- Golf carts and trundlers will be completely cleaned and sterilised after each use.
- There are pins or flags on greens, please refrain from handling green flags.
- Bunkers are open for play however bunker rakes must not be handled.

Please help us to minimise risk by following the guidelines.

We thank you all for your continual during these trying times. Hopefully we return to some normality soon.

Kind Regards

Carrington Team
